HACK4IMPACT@ MCGILL

"FOSTER THE WIDER ADOPTION OF SOFTWARE
AS A TOOL FOR SOCIAL GOOD."

WE BUILD SOFTWARE FOR NONPROFITS.

WHY SPONSOR US

Broaden Your Network

Gaining exposure and recognition in the tech community at McGill University and recruiting from its highly motivated and skilled students.

Drive Social Impact

Showing philanthropic responsibility through investing in a student initiative to support non-profit organizations technologically.

Invest in Talent

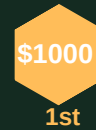

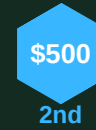

Contributing to the education of aspiring software engineers through campus events and workshops.

WHO WE ARE

Hack4Impact is a student-led initiative at McGill University aiming to support non-profit organizations by providing them with customized software built from the ground up by McGill students. We do not ask for any form of compensation from the non-profits.

SPONSORSHIP TIERS

Terms are modified in response to Covid-19 since all events will be virtual in Fall 2020. Non-remote setup could be adjusted in further discussion.
